## **Colt Zucchini** now available from Terranova Seeds

Trialled widely as TZU 1759 Colt has performed well in a large number of trials over the last 3 years and Terranova Seeds is pleased to advise that commercial seed is now available.

Key features of Colt Zucchini:

- The bush of Colt is vigorous and quite open which makes the fruit easy to harvest
- The fruit are a glossy dark green and cylindrical
- Trials yielded high quality fruit.
