**Terranova.**

# Serenity

## Hybrid Cauliflower

- Med-large framed variety with strong, swirling curd protection
- Dense and heavy, white curds with a good tuck
- Good tip-burn tolerance
- Strong field tolerance to verticillium
- Uniform maturity gives concentrated first cut.

### Additional comments and cultural notes

Trials to date indicate the variety is suitable for summer harvesting in the cooler southern markets.

We do not recommend Serenity for Queensland plantings.

ENZA ZADEN
